

IPSA Multi-Method: Lab 9

Due on Ninth Day

Jason Seawright

Problem 1

Quantitative Components in Qualitative Designs

For today's lab, please do the "Process-tracing elite messaging on climate change" portion of this exercise:
<https://jnseawright.github.io/practice-of-multimethod/Chapter2.html>

As well as all of this exercise: <https://jnseawright.github.io/practice-of-multimethod/Chapter-3.html>
